

Our committed, experienced Career and Employability team support students to make informed decisions about their future destinations through one to one careers guidance provided by a professionally qualified and CDI registered co-ordinator and interactions with employers and universities throughout the academic year.

Careers guidance is impartial, independent and is available for all students throughout the academic year, this includes:

- Progression to university and UCAS applications
- Progression to apprenticeships and employment
- Career planning and development
- Skills development
- Job search strategies including CV writing and job applications

Our career service/programme meets the Gatsby benchmarks which set out the standards of Good Career Guidance. We hold Matrix accreditation and successfully completed our continuous improvement check in July 2021.

Appointments must be made in advance by contacting Stefania Caria, Careers Co-ordinator:
