

# ESOL Plus For 16–18 year olds

This course will improve your knowledge and skills in reading, writing, speaking, grammar, vocabulary, and listening. This course also includes functional skills, math, and employability skills. As part of your course you will also experience a range of vocational tasters.

## E3 ESOL WITH CREATIVE ARTS

Do you want to learn new skills, pursue your interests, and be able to produce works of art that will develop your creativity and imagination? You will be able to develop your communication, creative, and critical thinking skills, and be able to give presentations, and develop entrepreneurial and business skills.

The possible career opportunities are :

- Animator • Art therapist • Content creator • Creative writer
- Film / video editor • Graphic designer

## E3 ESOL WITH SPORTS

Do you want to work in the sports industry? This course will help you develop your generic knowledge, understanding, and the skills you need for your future career. You will understand some physical activities, look at fitness programmes, and actively take part in gym activities.

Why study ESOL with Sports?

- You are able to help people achieve their fitness goals and become healthier and fitter.
- As a job, it can be very rewarding to see the progress customers make.
- Opportunities for career progression.
- The study of Sports Science teaches students transferable skills such as team working, communication and presentation skills valued by any employer.
- It is a fun and diverse industry to be a part of where often no two days are the same.

The possible career opportunities are:

- Personal trainer • Athletic trainer • Sports management
- Sports coach • Exercise physiology • Sports psychologist
- Nutritionist • Physiotherapist

## E3 ESOL WITH CREATIVE ARTS

This subject will enable you to express yourself and develop your creativity. You will gain the tools to think creatively, innovate, and appreciate diverse cultures and backgrounds. Learning music, dance, and drama has wide-reaching benefits that help you explore your emotions, expand your imagination, and develop your unique voice.

The possible career opportunities are :

- Actor (stage or screen) • Dancer • Director • Singer
- Stage manager • Teacher

## L1 ESOL WITH HOSPITALITY AND CATERING

This industry will show you how to provide the best customer experiences and open up opportunities to travel the world. You will gain transferrable skills that you can use anywhere in the world. Over 2.5 million people are employed in the hospitality and catering industry, so why not be one of them?

You will be able to achieve a qualification by developing and practicing skills, knowledge, and understanding in this subject.

The possible career opportunities are:

- Baker. Industrial baker, baking operative, artisan baker, craft baker • Bartender • Barista – Baristas make and serve coffee in cafes, coffee shops, restaurants, and hotels
- Butcher • Butler • Cake decorator • Catering manager
- Cellar technician

**Good English and maths skills are essential, so all students will study English and maths and work towards an appropriate level. Once you complete your ESOL with these additional units, you will be better equipped to achieve your vocational option.**
