

Top Tips to Make the Most of Your Open Event

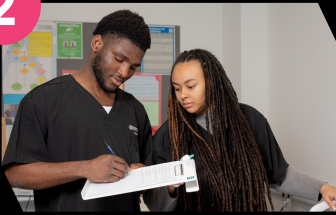

1

Explore your options

Check the [website](#) before you arrive and make a shortlist of courses that interest you. That way you can head straight to the stands that matter most.

2

Think about your future

The Open Event is your chance to connect your ambitions with the right course. Whether you know your direction or are still exploring ideas, staff will be there to guide you.

3

Ask questions

Bring your questions about what you will learn, entry requirements, student life and where your course could take you. No question is too small.

4

Hear from the experts

Talk directly to teachers and support staff who understand the skills employers value and the opportunities available.

5

Stay connected

Follow South Bank Colleges on social media to keep up to date with student stories, events and opportunities.
